

Attestation

European National Regulations on VOC emissions

On 6 July 2020, Eurofins Product Testing A/S received a sample of a wooden parquet with the product name:

Ash Rustic

supplied by

Forestry Timber Holdings limited

The sample was supplied as being representative of the manufactured product, and it has been tested as in accordance with the relevant regulations in Germany, France, Belgium and Italy. The test is in accordance with German AgBB (2018) and the guidelines of the DIBt (2010), the German ABG (2018), the French legislation of 2011 on emission classes as specified in decree no 2011-321, the Belgian Royal Decree C-2014/24239 and the Italian CAM decree 11, section 2.3.5.5 (2017). Sampling, testing and evaluation were performed according to EN 16516, ISO 16000-3, ISO 16000-6, ISO 16000-9 and ISO 16000-11 testing standards (see test report no. 392-2020-00298001_A_EN_rev1).

The tested sample complies with the European regulations as mentioned below:

- French VOC Regulation of March and April 2011 showing emission class:
- German ABG/AgBB
- Belgian VOC
- Italian CAM

The tested product complies with referenced European regulations.
